

## ON-LINE A.A. DEGREE COURSE OFFERINGS

Effective for students entering Seattle Community Colleges Summer 2004 or later or who have stopped out for a five-year period or longer.

(NO ON-CAMPUS REQUIREMENT unless noted by an asterisk)

### REQUIREMENTS TO COMPLETE THE ASSOCIATE OF ARTS DEGREE

- Completion of 90 college level credits with a minimum cumulative 2.0 GPA.
- At least 15 credits numbered 100 or higher must be earned at the North Seattle Community College.
- Students transferring to a baccalaureate institution should be aware that the A.A. degree does not guarantee admission nor does it meet all admission/distribution requirements for all majors at all universities.
- Most baccalaureate institutions require completion of the A.A. degree prior to admission in order to receive the benefits of the Direct Transfer Agreement (DTA). Students need to complete an application to graduate.
- Course numbers may change and new courses may be added or deleted which will affect the accuracy of this list.
- Many four-year institutions require students to complete foreign language for admission and/or graduation. Please check with the four-year institution you plan on transferring to regarding foreign language requirements.

**Starting in Summer Quarter 2008**, the Seattle Community Colleges will use a new **Common Course Numbering (CCN) system**. Some of our course numbers and titles have been changed to comply with the new standard being used by the state's community colleges. The new system is designed to identify courses that are equivalent at community colleges and to make it easier for students who may transfer between two-year colleges.
